

MARYLAND VETERANS MUSEUM AT PATRIOT PARK

“Lay-a-Brick for a Veteran”

As you enter our museum you witness our memorial walkway, commemorating the many folks who have displayed their support for our veterans by leaving a memory dedicated to a veteran, a loved one, or just to commemorate something of importance in their lives. Our Lay-a-Brick for a Veteran project has been established by the Museum Board to provide that opportunity.

Please join us in establishing a brick memorial dedicated to your special veteran or just your appreciation for all of our veterans. Each brick is factory made with the information laser engraved. Each brick has three lines for information with a limit of fifteen spaces per line. (A separate order form is needed for each brick ordered.)

To order a brick, please complete the information below

Your name: _____

Your email: _____

A phone number where you can be contacted: _____

Address: _____

Information you wish to have on the brick: *(limit 3 lines, 15 characters per line)*

Please send this form and a check for \$100.00 made out to Maryland Veterans Memorial Museum, Inc. to:
